

CLIENT PROTECTION INITIATIVES

At One Ocean Expeditions we are committed to working on all levels in favour of our clients. As such we have developed the following initiatives to make booking a voyage with us even more convenient.

1. Payment Plans

We have developed two distinct Payment Plan Options for your clients to choose from:

A) Traditional payment plan

Deposit of US\$1500 per person at the time of booking with final payment payable 90 days prior to departure date.

B) Pay more now and save on the total voyage price

Deposit of US\$1500 per person paid at the time of booking, another 50% within 30 days of booking, with final amount payable 90 days prior to departure. We will reduce the voyage fare by 5%. Plan valid for bookings up to six months prior to departure.

2. Price Guarantee

If we market the voyage you have booked at a discounted price at any time before 60 days prior to your departure, we will credit you the same discounted amount.
